

# ARE YOU CLEARED TO CARE?

## New Fingerprint Requirements for Florida Health Care Practitioners

### EFFECTIVE JULY 1<sup>ST</sup> 2025: What You Need to Know

- **Health care practitioners** must comply with fingerprint & background screening requirements when applying for initial licensure or renewing their license.
- If **fingerprints are already on file**, retain them online to avoid re-fingerprinting.
- A **Privacy Policy** is required for the Florida DOH to view background screening results.

### GET FINGERPRINTED AT MIAMI NICE 2026

- **Schedule** an appointment at [nlfingerprint.setmore.com](http://nlfingerprint.setmore.com)
- **Receive** Transaction Control Number (TCN) to track status

Livescan includes photograph, fingerprints, and background screening. Photo Identification is required (driver's license or passport).

### NATIONAL LIVESCAN FINGERPRINTING

National Livescan Fingerprinting will provide on-site Livescan services at MIAMI NICE.

Results are electronically sent to the Board of Optometry and progress can be tracked through CHAI or with your Transaction Control Number (TCN).

\*\*CHAI Registration is recommended (not required) prior to fingerprinting for faster processing and reporting to the Board

### VERIFY PRINT STATUS IN 3 MINUTES

- Visit **CHAI** and register with your email
- If prints are not retained, initiate a new screening and **get fingerprinted**
